

The Sir Winston Churchill Society of Calgary
Patron: Randolph Churchill III

The Society cordially invites you to its 51st annual fundraising banquet, and an address entitled

Winston Churchill's "indirect approach"

A Churchill Society favourite, Dr. David Bercuson will address us on Churchill as a "grand strategist" in the two world wars. He offers us this advance thought: "From the Turkish campaign in the First World War to his continuing efforts in the Second World War, Churchill demonstrated that he favoured fighting on the periphery over "going right at them". Churchill's preference brought about Gallipoli—though you can't blame Gallipoli on the Somme because the Somme hadn't happened yet! So what was it? I'd have to speculate on Churchill's mind-set. The latter belief caused continuing difficulties with the United States."

Your dinner will also include:

- *Updates and presentation of gold medal winner from the Sir Winston Churchill high school debates
- *Moot court winner updates
- *Results of the 2017 membership survey
